Mr. John Danko, President
Danko Arlington Foundry
4800 East Wabash Avenue
Baltimore, Maryland 21215

Dear Mr. Danko:

Thank you for providing individuals from DLA Aviation with the opportunity to visit Danko Arlington Foundry. On behalf of the Aviation Forging and Casting Assistance Team, your team of experts provided a superb tour and training to key personnel from our Supply Operations. The visit was remarkably rewarding and demonstrated the complexity of the forging manufacturing process.

I especially want to thank you for your personal involvement in arranging the availability of your associates and allowing us to see the forge shop first hand. We depend upon facilities like yours to help us support the warfighter. Again, thank you for taking the time to accommodate us and to share your expertise.

Sincerely,

A handwritten signature in black ink, reading "Scott W. Jansson", is positioned below the word "Sincerely,".

Scott W. Jansson
Brigadier General, USAF
Commander
